

# Companion Animal Recordkeeping Notebook

Companion Animal Recordkeeping Notebooks are *optional*. All recordkeeping notebooks must include a section on:

- Feed Records
- Expenses with Profit/Loss
- Story (about your project animal(s))

Notebooks will be judged based on the following guidelines. Since pocket pets cover a wide range of animals, it is very general. Use your own creativity; add diagrams and lots of information on your specific animals. Pictures are always wonderful. If a section is left out, the points for that section are forfeited. The highest score will naturally win the trophy.
